KEEP IT CLEAN TEAM

Our goal is to keep NS Litter Free all year long, and with your help we can do it. Just agree to this:

1. Adopt a road or community area.
2. Pick up any litter you see a couple of times a year.
3. Let us know where you clean and if you need trash bags.
4. Tell others not to litter.
5. Let others know about the "Keep It Clean Team".
6. Let us know if it is okay to mention your name in any press about this new program.
7. Contact me with your name and location you chose.
