THE CHARTER

PREAMBLE

The people of the Town of North Smithfield, in order to secure the right of self-government in all local matters, pursuant to the provisions of the Constitution of the State of Rhode Island and Providence Plantations, do adopt and establish this charter.

ARTICLE I. BASIC PROVISIONS

Sec. 1. Municipal body.

The inhabitants of the Town of North Smithfield, within the corporate limits as now or hereafter established, shall continue to be a municipal body politic and corporate in perpetuity.

Sec. 2. Form of government.

The form of town government provided by this charter shall be the administrator-council form of government. Subject only to the limitations imposed by the state constitution and by this charter, all powers of the town shall be vested in an elected town council which shall enact local legislation, and in an elected town administrator who shall be responsible for the execution of the laws and the administration of the town government.

(Amend. of 11-2-2010)

Sec. 3. Local self-government.

The town shall have all powers of local self-government and home rule and all powers possible for a town to have under the constitution of this state, together with all the implied powers necessary to carry into execution all the powers granted. The town shall have such additional powers as now or hereafter may be granted to the town by the laws of the state. All powers of the town shall be exercised in the manner prescribed by this charter, or if not so prescribed, then in such manner as shall be provided by ordinance or resolution of the council.

Sec. 4. State law.

The laws of the state not inconsistent with this charter, except those superseded by or declared inoperative by ordinance or resolution of the council, shall have the force and effect of ordinances of the town.

Sec. 5. Ordinance.

In the event of conflict between any town ordinance or resolution and any law of the state, other than a law enacted in conformity with the powers reserved to the General Assembly by the constitution and except in regards to questions of health, education and police power, the provisions of the town ordinance or resolution shall prevail and control.

(Amend. of 11-4-75)

Sec. 6. Property.

The town may acquire property within or without its corporate limits for any municipal purpose, in fee simple or any lesser interest or estate, by purchase, gift, devise, lease or condemnation, and may sell, mortgage, hold, manage and control such property as its interest may require.

Sec. 7. General powers.

The town shall have and may exercise all local and municipal powers, functions, rights, privileges and immunities of every name and nature whatsoever unless otherwise prohibited by the constitution of the state or by this charter. The enumeration of particular powers by this charter shall not be deemed to be exclusive, and in addition to the powers enumerated therein or implied thereby, or appropriate to the exercise of such powers, it is intended that the town shall have and may exercise all powers which, under the constitution of the state, it would be competent for this charter specifically to enumerate.

Sec. 8. Legislative powers.

The town shall have power to adopt and amend local laws and ordinances relating to its property, affairs and government. The legislative powers of the town shall be vested in the town council.

(Amend. of 11-2-2010)

ARTICLE II. ELECTIONS*

Sec. 1. District.

The town shall consist of one district.

Sec. 2. Term Limits.

All elected officials shall serve terms that shall not exceed eight (8) consecutive years commencing on December 1, 2020.

Sec. 3. Regular, special elections; recall.

(a) A regular town election shall be held on the first Tuesday after the first Monday in November in even-numbered years. A special election may be held at any time at the order of the town council, or as otherwise provided in this charter.

(b) Recall. An elected official holding a town office, having been in office for at least six (6) months, may be removed from office by a recall petition prepared and approved by the voters of the town in the manner hereinafter provided for recall procedure.

Upon application by a registered voter, the Town Clerk shall issue the recall petition blanks, which shall be dated, which shall demand the removal of the designated elected official, and which shall state the cause upon which the removal is sought. Including but not limited to, the following reasons shall constitute cause for recall: (1) willful violation of any provisions of the Town Charter or Ordinance, (2) conviction of a felony, (3) willful neglect of duties, (4) corrupt or willful malfeasance in office and (5) willful misconduct to the injury of the public service. The petition is to be filed with the Town Clerk within thirty (30) days after issuance to be in order for the certification process.

The signatures to a recall petition need not all be appended to one paper but each signer shall add the signer's signature, as it appears on the Board of Canvassers and Registration's records, and the signer's place of residence, giving the street and number or other sufficient designation if there be no street and number. One of the signers shall take an oath before an officer competent to administer oaths that the statement therein made is true, as the signer believes, and that each signature to the paper appended is the genuine signature of the person whose name it purports to be.

The recall petition, as it pertains to a town-wide office holder, shall be signed by at least thirty (30) percent of the votes cast in the most recent election for the office held by the official named in the petition.

The petition is to be submitted by the Town Clerk to the Board of Canvassers and Registration for certification forthwith. If the petition shall be found and certified by the Board of Canvassers and Registration to be sufficient, within ten (10) days the board shall submit the same with its certificate to the Town Council without delay; the Town Council shall order an election to be held on a Tuesday fixed by it not more than seventy-five (75) days after the date of the Board of Canvassers and Registration's certificate that a sufficient petition is filed. However, if any other town election is to occur within one hundred twenty (120) days after the date of the certificate, the Town Council shall postpone the holding of the recall election to the date of such other election.

Petitions for the nomination of candidates shall be filed with the canvassing authority of the town at such times and upon such forms as shall comply with state law. Said information shall be available at the town clerk's office.

Each nominating petition shall state the name of the office and set forth the name and place of residence of the candidate thereby nominated. Declarations of candidacy must be filed with the canvassing authority at such time or times set forth in state law and by the Rhode Island Secretary of State.

Every voter signing a nominating petition shall indicate thereon his place of residence and street number, if any. No voter shall sign petitions for more candidates than shall be allowed by state law and, should he do so, his signature shall be counted only upon the first petition or petitions filed and shall be void upon all other petitions.

Before a nominating petition may be filed with the canvassing authority there shall be filed with said canvassing authority an acceptance of the nomination in writing, signed by the candidate, which shall certify that the nominee consents to stand as a candidate and that if elected he agrees to take office and serve.

Each nominating petition shall be verified by an oath or affirmation of one or more of the persons circulating the petition, taken and subscribed before a person qualified to administer an oath, to the effect that the petition was signed by each of the signers thereof in the handwriting of the signer.

(Amend. of 11-2-2010)

Sec. 5. Canvassing authority certification.

Upon receiving a nominating petition and statement of acceptance of any candidate, the canvassing authority of the town shall then certify to the validity of any petition having a sufficient number of proper signatures. The canvassing authority shall certify a list of candidates and shall cause to be published in one or more newspapers having a general circulation in the town the names and addresses of the candidates who have duly filed valid nominating petitions and acceptances.

Sec. 6. Ballot arrangement.

The ballot for town elections shall contain the names of the candidates arranged by the offices to be voted for and listed alphabetically under the title of the office. No name or designation shall appear upon the ballot other than the name and address of each candidate.

Sec. 7. Primary election procedures.

A primary election to determine the candidates to be voted upon at the subsequent town election, whether regular or special, shall be held in accordance with state law.

At the primary election the number of candidates equal to twice the number of places to be filled at the regular or special town election who shall receive the greatest number of votes shall be declared nominated as candidates for office.

An additional candidate or candidates beyond the limitation imposed by this section 7 of this charter shall be declared nominated at the primary election whenever a candidate receiving the least number of votes qualifying him as a candidate for office shall receive the same number of votes as another candidate or candidates. In such event all candidates receiving the same number of votes shall be declared nominated.

If the number of candidates certified for any elective office does not exceed twice the number of places to be filled at the election, then no primary election shall be held for such office. (Amend. of 11-2-2010)

Sec. 8. Declaration of elected candidates.

At any town election other than a primary election, the person or persons receiving the greatest number of votes for an office, not exceeding the number of persons to be chosen, shall be declared elected to the office.

The votes shall be counted and the result of the election declared by the canvassing authority of the town in the manner provided for other elections.

Sec. 9. Miscellaneous requirements.

The council by ordinance shall provide for nominations, primaries and elections for town offices or for questions on local matters, except as otherwise required by this charter.

The residents of the town having the qualifications of electors in the state shall be electors of the town.

No person may be a candidate for more than one elective office at any one town election.

Sec. 10. Board of canvassers and registration.

There shall be a bipartisan canvassing authority elected by the town council as provided by the constitution and laws of the state. Said canvassing authority shall be known as the board of canvassers and registration and shall be vested with all the powers and duties now or hereafter vested by law in the canvassing authority or board of registration of the town. All members of said authority or board now in office shall continue in said positions as members thereof until the expiration of the term for which they were chosen.

In the case of a vacancy on the committee after the appointment of its members, such vacancy or vacancies shall be filled by the majority vote of the town council. The committee shall hold a regular quarterly meeting and such other meetings as it shall deem necessary to accomplish its purposes.

The town council shall consist of five members elected from the town at large, each to serve for a term of two years, such term to begin on the first day of December next following their election, or until their successors are elected and qualified.

Sec. 2. Qualifications.

Members of the town council shall be qualified electors of the Town of North Smithfield and shall hold no other public office or employment in the service of the town or an elective office in the state or federal government. Current service as notary public, justice of the peace, membership in the national guard or naval, air or military reserve shall not disqualify persons for council membership. If a member of the town council shall cease to possess any of these qualifications his office shall immediately become vacant.

Sec. 3. Vacancies.

Any vacancy in the membership of the town council may in the discretion of said council be filled for the unexpired term, except that if a vacancy in the council shall occur more than one year prior to the time for the holding of an election, the council shall, within 30 days after the vacancy occurs call a special election for the purpose of filling such vacancy.

Sec. 4. Presiding officer.

At its organization meeting, upon the election of a new town council, the town council shall elect one of its members as town council president. The president shall preside at meetings of the council, but he shall have no administrative duties. Such office shall not deprive the council president of his vote on any question. At said meeting the council shall elect from its members a president pro tempore who shall perform the duties of the president in the absence or disability of

the president.

Sec. 5. Compensation.

The president of the town council and the members shall receive such annual compensation as the council shall fix by ordinance, provided that no change in compensation shall take effect until after the next biennial election and installation of the newly elected town council.

(Amend. of 11-2-2010)

Sec. 6. Quorum.

Three members of the town council shall constitute a quorum for the transaction of business, but a smaller number may adjourn from time to time. At least 48 hours notice of the holding of an adjourned meeting shall be given all members who were not present at the meeting from which the adjournment was taken.

Sec. 7. Meetings.

The first meeting of the newly elected town council for induction into office and organization shall be held at 8:00 p.m., on the first day of December. Thereafter, the town council shall meet regularly at such time and at such place as may be prescribed by its rules but not less frequently than once each month. A special meeting of the town council shall be called by the town clerk at the request of the town council president or a majority of the members of the town council. Notice of a special meeting shall be given to each member at least 48 hours previous to the time of such meeting. The town council may meet upon shorter notice by unanimous consent of all its members which shall be entered in the record of proceedings. The purpose of a special meeting shall be stated in the notice of the meeting and no business shall be transacted at any special meeting other than that which has been stated in the notice. All meetings of the town council shall be open to the public, and citizens shall have a reasonable opportunity to be heard, except that this provision shall not be deemed to prevent the holding of executive sessions, provided that all votes are taken in public.

town which have to do with the preservation of the public peace, health, safety, welfare and comfort of the inhabitants and the protection of persons and property, and other municipal functions. The town council may provide reasonable penalties in accordance with the law for the violation of any ordinances;

- (4) To create, change and abolish departments, offices and agencies other than those established by this charter and distribute the work among them, and assign additional functions or duties to departments, offices and agencies established by or under this charter, but may not discontinue or assign to any other department, office or agency, any function or duty assigned by this charter to a particular department, office or agency;
- (5) To inquire into the conduct of any office or officer, department or agency of the town;
- (6) To fill all vacancies in all elective or council appointive offices, boards and commissions for the remainder of the respective terms thereof except as specifically provided otherwise in this charter;
- (7) To establish by ordinance the compensation that may be paid to all elective or appointive officers and employees, including board and commission members of the town and stipulate the amount in each instance, except where specifically provided otherwise in this charter;
- (8) To provide by ordinance for a personnel classification system in conformity with provisions of this charter and applicable general and special laws;
